I love,
I shall rouse,
you (sing.) greet,
they wound,
we think,
you (pl.) hope,
he deliberates,
we were decorating,
I was blaming,
he was despairing,
we were walking,
they were freeing,
he will fight,
you (pl.) will overpower,
we will enter
he expects,
we inhabit,
he invites,
we were judging,
you (pl.) will announce,
we think.
