

Year 3 Term 1 Week 10 Day 1
Grammar
Consolidate Irregular Verbs

Fourteen of these. The difficulty is the irregularity which means they do not fit into any other conjugation and so must be learned individually. I have tried to group them to help you.

sum

absum

adsum

possum

eo

exeo

pereo

redeo

volo

malo

nolo

*do*¹

Mothers' Companion flashdrive has charts and sheets for *sum* which may be useful on Volume 7 under verbs resources file. I suggest you get your *sum* chants well revised this week (which will help with *absum* and *adsum*) as there will be quite a lot to do in the first week of next term.

¹ Although technically a first conjugation verb, *do* is quite irregular. It is also very common so worth learning the pattern.
