

Year 3 Term 1 Week 5 Day 1

Grammar: Consolidate Second Conjugation (*e*) Verbs

Last week we revised *e* verb meanings. This week I have made some charts so that you can test yourself on translating the various tenses of *e* verbs. Fill in the English translations which are left blank in the charts. The first one is done for you in red. You can re test yourself as often as needed to get everything correct by printing out the charts again.

Now spot test yourself using verbs other than *moneo*. The best way to do this is to give your friend/mum the charts and last week's list of *e* verbs and ask them to make up words in various tenses for you to translate.
